

SAN DIEGO ZOO

Cub Camp Important Information

Dear Parents/Guardians,

Welcome to your first summer of Zoo Camp! Please read and complete the paperwork so we are all prepared for a week of fun. We thank you for choosing the San Diego Zoo's Summer Camp as part of your child's summer vacation. Our program offers children opportunities to use critical thinking and problem-solving skills, cooperation, and to have up-close encounters with animals that connect kids to wildlife and conservation. Best of all, they have so much fun doing it—they forget they're learning!

WHAT TO BRING

- Ticket - Tickets are required day one of camp.
- Light Morning Snack - Not too much! Snack breaks are 15 minutes long.
- Reusable Water Bottle - It's really important to keep kids hydrated. We provide water during breaks.
- Sun Gear - Be sun smart! Remember sunscreen, hats, or visors and water bottles.
- Comfortable Shoes & Play Clothes - No flip flop sandals or ill-fitting shoes.
- Cameras (Optional) - They're great for capturing moments, but easily get left behind. It is your camper's responsibility to keep it safe.

Please label your camper's items with their name or with an address label as they can easily get left behind!

WHAT NOT TO BRING

- Backpack on Wheels - These have caused injury to campers and are NOT allowed.
- Toys - They may get lost and will distract the campers.

BUY DAY ON THURSDAY

One day each week campers will be allowed to buy a snack from a Zoo snack stand. Purchase of snack items are optional. You may send a snack item with your camper(s) instead of purchasing an item. This is where your child will receive a FREE camp T-shirt and a fun FREE memento. We do our best to provide the correct size T-shirt, but this is not always possible. Please make it a "nightshirt" if we're unable to provide one with the proper fit.

We will give your camper a "Buy Day Envelope" the day before their scheduled Buy Day.

- Please put no more than \$10 in the envelope. Items are priced between \$5-\$10.
- Don't forget to write your camper's name, grade and ask him/her to leave it in their bag or backpack. This helps to reduce the chance of lost money.

Note: If you wish to buy more souvenirs, please plan on shopping with your camper after camp in the Zoo's main gift shops. If you are not a Zoo member, go to any ticket window to get a shopping pass (credit-card deposit required) that allows you admission to the gift shops located near the Zoo exit.

BRING THE FUN HOME!

You can become involved in your child's Zoo Summer Camp Adventure by reading the Monday parent letter as a family. This letter will have a simple schedule of events for each day including animals your child may see or activities they might do.

Since Zoo Camp is not a parent participation program, parents are not able to tag along in camp. You are welcome to visit the Zoo during your camper's day at Zoo Camp by purchasing an admission ticket or using your membership card. For family fun, check out our parent participation programs such as KinderTots or KinderNights. Additional information on these programs is available online: www.SanDiegoZoo.org under Special Experiences>Education Programs.

If you have any questions about summer camp, please do not hesitate to contact us at (619) 557-3963.
